Every sandwich seems to be specifically prepared to result in food poisoning. I'm getting honked at no matter which way I drive down this one-way. This \$5.00 'coffee' is actually just green-tea-soy-latte-frappé-gluten-free-vegan-NON-CAFFEINATED cup of crap.

Without the proper knowledge, a city can really do a number on its newbies. This map of downtown Madison, Wisconsin aims to help its viewers avoid the introductory stage of "I guess I'll just eat at McDonalds..." and move right up to livin' like the locals.
