

# PUBLIC ART NOT PUBLIC ENEMY

## Legend

- ◆ Philosopher's Stones
- ◆ Permanent Public Art
- Police Disturbance reports using the word homeless

- "Philosophers' Stones" contributed to "drug dealing and prostitution," as well as "abusive language" and littering at the top of State Street.

- Wisconsin State Journal

- The stones attract people who are in need and people who take advantage of them.

- City of Madison Minutes

- 43 stones removed at around \$5,000 each
