

WISCONSIN MILK COW HERDS

As of April 1, 2021

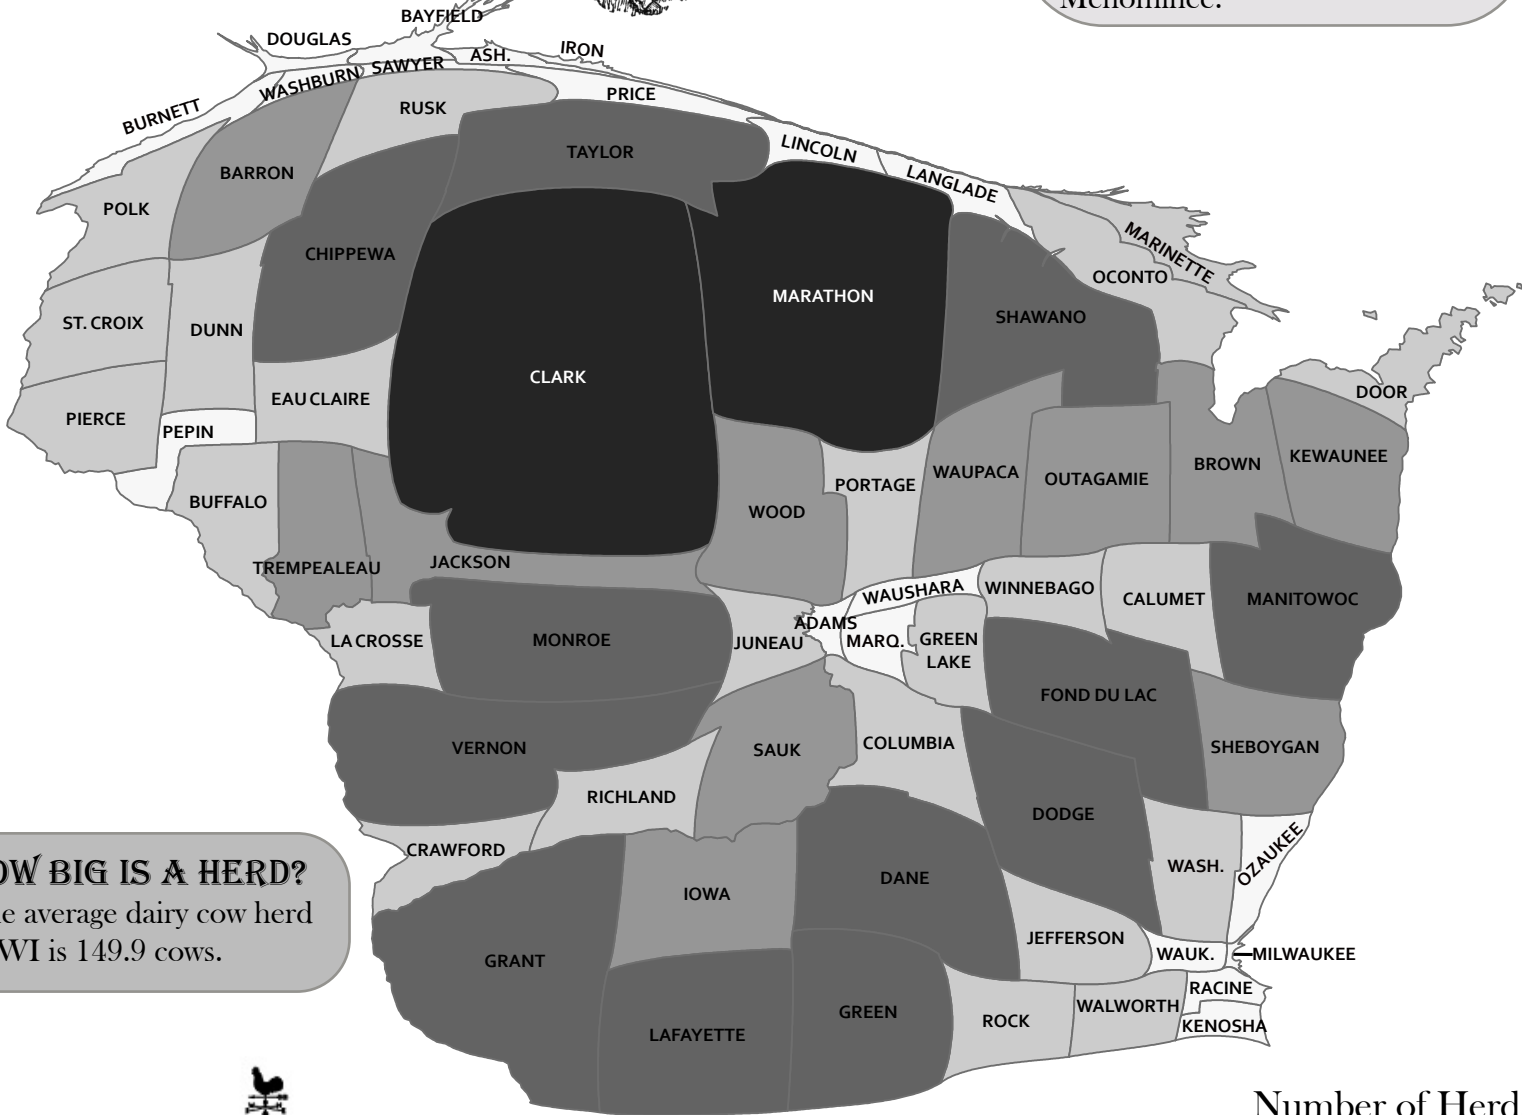

FUN COW FACTS!

WI currently has around 6,845 milk cow herds. HOLY COW!

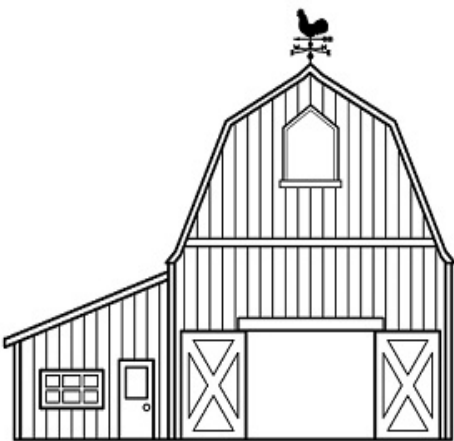

WHERE'S THE BEEF COWS?

The counties of Florence, Forest, and Oneida have zero cow herds. No data is available for the counties of Vilas and Menominee.

HOW BIG IS A HERD?

The average dairy cow herd in WI is 149.9 cows.

WHY DOES THIS MAP LOOK SO WEIRD?

This map is a Gaster-Newman Cartogram. The size of the counties is a reflection of the total number of cow herds there.
