

As we begin to watch marriage rates fall across the U.S....

What If Marriage Is Not a Social Good?

Marriage Rates by U.S. State
% Difference From 2009-2019

Age of U.S. Male at First Marriage

Average Age

-  30.1-32
-  28.1-30
-  26-28

...and research showing the average marriage only last 8 years...

...I want to raise the question of whether marriage is a necessary part of life?

Marriage does not certify love and love doesn't validate marriage...

...you can in fact love someone and not marry them and marry someone and not love them

*Marriage and love aren't the same thing...
...love is a drive and marriage is only a legal contract*
