

### Number of Breweries Per County

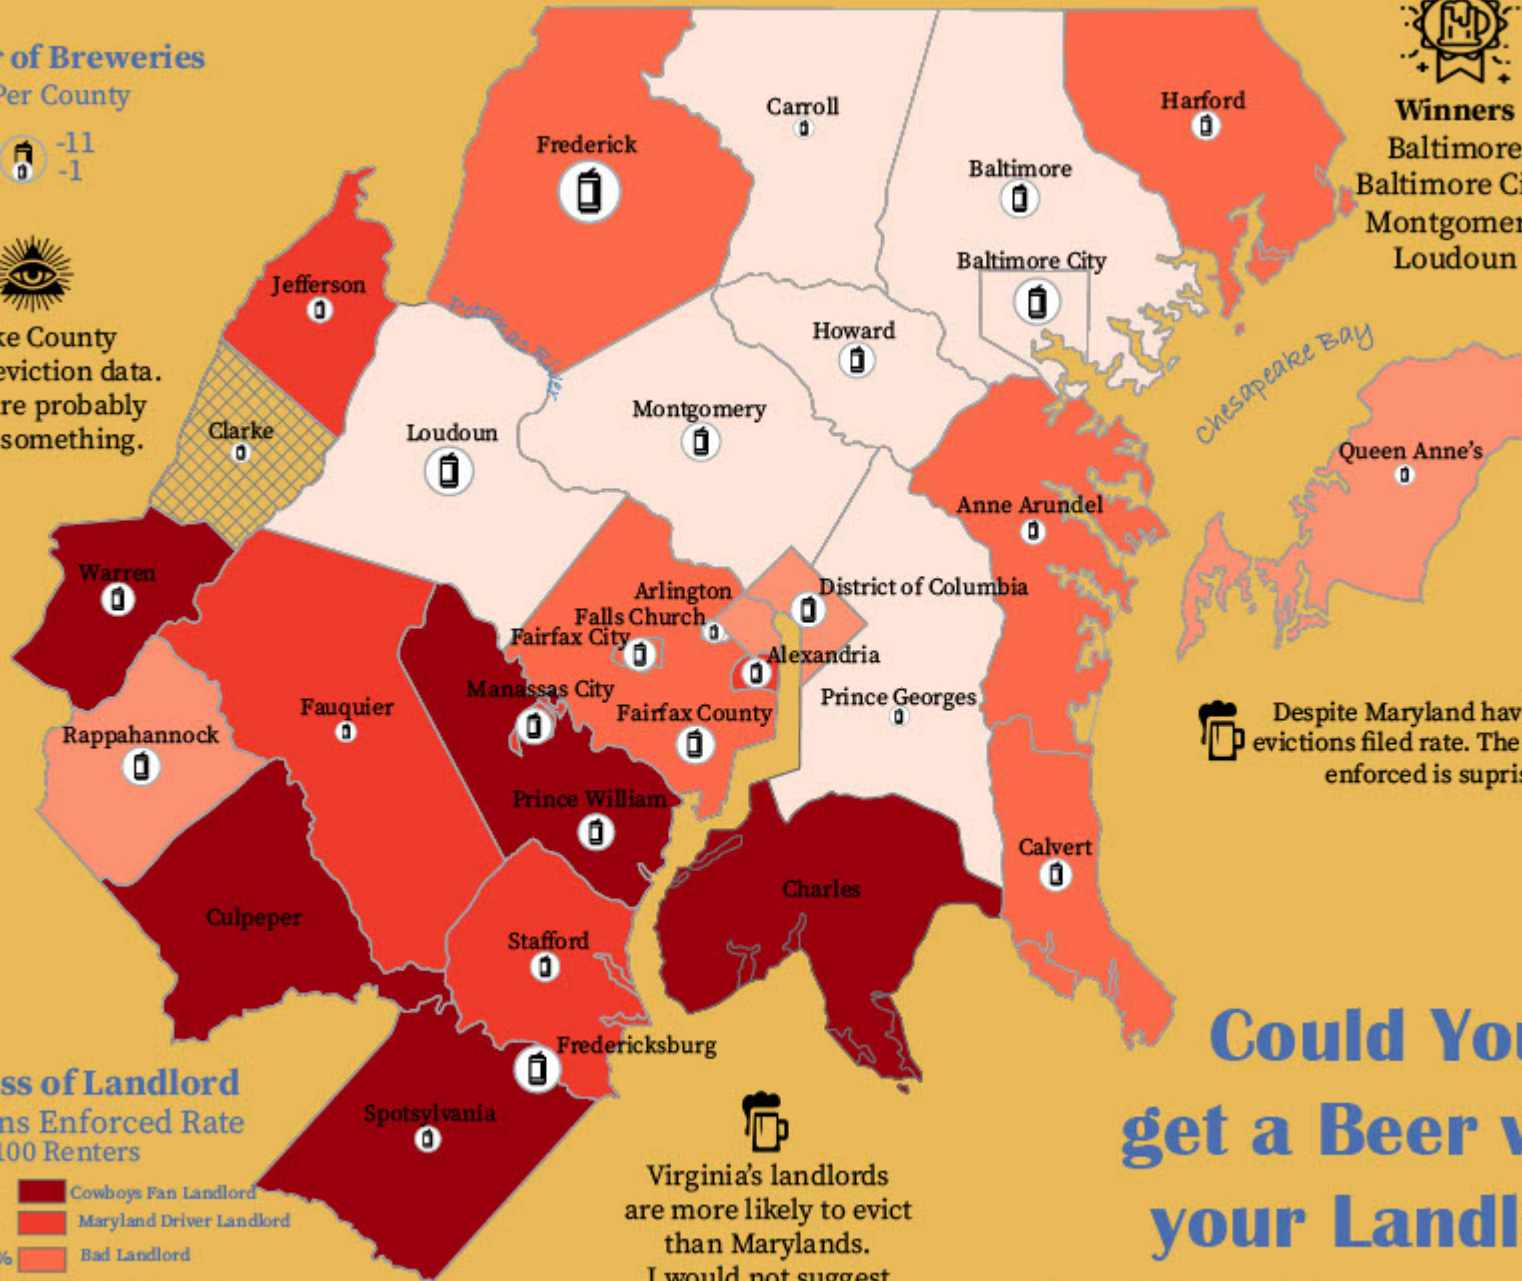

Clarke County has no eviction data. They are probably hiding something.

**Winners**  
Baltimore  
Baltimore City  
Montgomery  
Loudoun

**Losers**  
Charles  
Culpeper  
Arlington

Despite Maryland having a very high evictions filed rate. The actual evictions enforced is surprisingly low.

### Chillness of Landlord Evictions Enforced Rate Per 100 Renters

- 5% - 8%  Cowboys Fan Landlord
- 3% - 5%  Maryland Driver Landlord
- 1.5% - 3%  Bad Landlord
- 1% - 1.5%  Alright Landlord
- < 1%  Chiller Landlord

Virginia's landlords are more likely to evict than Maryland's. I would not suggest grabbing a beer with them.
